Doors and Windows

About

We the team AERIUS for over 15 years, have been building doors and windows that set a higher standard for the entire construction industry especially homeowners. We invest in craftsmanship and superfine raw materials which have escalated our status over time to become one of the leading door manufacturers in Kerala

We manufacture customized ABS doors by importing raw materials from Korea. Considering the rapid climatic changes in the country, we intend to promote ABS doors in our market which are not only waterproof but is also eco-friendly.

We offer a variety of other water-resistant doors and windows as well. Whatever we manufacture, we make sure that they transform your space to look and feel awesome.

Mission

To bring about innovative and top-grade products into the market, hence being the leaders of Door industry in India. We look forward to delivering exotic ABS doors and Water proof Membrane doors.

Vision

Our vision is to equip India with strong ABS doors and Membrane doors that lasts long and in timely delivery of quality products.

ABS Doors & Frames

Experience the latest in door technology with our cutting-edge Pre-hung Moulded and Plain ABS Smart Door and Frame, featuring a powerful combination of Acrylonitrile, Butadiene, and Styrene for unparalleled strength and impact resistance. Our eco-friendly ABS doors are engineered to withstand harsh weather conditions, resist termites, and repel water, providing a long-lasting and reliable solution for your home or office. As one of the top ABS door manufacturers in India, we partner with leading Korean experts for unmatched technology and material support, ensuring top-notch quality and performance.
